

# Black Beauty™ Fall Magic

## Premium Grass Seed Mixture

Fall is the best time to seed lawns. Black Beauty Fall Magic, with its special fall formula, provides an attractive, perennial, healthy, dark-green lawn. Black Beauty Fall Magic is able to withstand heavy traffic, too. It thrives in sunny and shady areas of the lawn. Seed should germinate in 10 - 14 days.

Black Beauty varieties root deeply, contain a waxy leaf coating to preserve moisture, have a uniform growth habit, and are naturally insect resistant.
