QUALITY LAWN SINCE 1881

# MELT-A-WAY

## ICE MELTER

**Melts Snow & Ice Fast!**

- Melts Down to 5°F**
- Starts Working Immediately**
- Safer\* on Lawns, Trees, Shrubs**
- Safer\* on Concrete**
- Safer\* to Use**
- 3-Way Melting Action**
- Non-Staining**
- Leaves no Residue**
- Coated Blue for Precise Coverage**

*\*When used as directed*

**CAUTION:**  
Harmful if swallowed, irritant.  
Carefully read cautions on the back panel.

# MELT-A-WAY

## ICE MELTER

### DIRECTIONS FOR USE

For best results, remove existing loose snow and slush from area to be treated prior to application of Melt-A-Way. Evenly sprinkle Melt-A-Way on desired surfaces at a rate of 6-1/2 to 10 lbs. per 1,000 sq. ft. Melting should begin immediately. Once snow and ice have been melted, shovel off the slush. Thick accumulations may require additional applications. Melt-A-Way is very effective in reducing ice and snow accumulations when applied just as snow is beginning to fall. As with all ice melters, avoid direct application onto grassy or other vegetation areas. Hands should be washed with soap and water after contact and application.

### CAUTION\*

Do not use on concrete that is less than 2 years old, or that was not properly mixed, finished or cured. Do not use on decorative concrete surfaces. Flaking or spalling may occur when using any ice melting product on concrete surfaces, especially those that are poorly constructed, contain porous concrete or mortar joints, bricks and flagstone. Remove the melted solution immediately to prevent penetration of cracks and porous areas of concrete as freezing/thawing action of the solution can cause damage to your concrete areas. May be harmful when used excessively or repeatedly applied.

**\*KEEP OUT OF REACH OF CHILDREN\***  
**NOT FOR FOOD USE**

### LIMITED WARRANTY

No warranty expressed or implied; including specifically the implied warranties of merchantability and fitness for any particular purpose is made by the manufacturer or seller with regard to the sale or use of this product. The manufacturer or seller is not liable for any consequential damages caused by the use of this product or as a result of its misuse, mishandling, or any application not specifically described and recommended on this label. In the event the use of this product causes damage to persons or property, purchaser agrees by opening this package, that the purchasers sole and exclusive remedy against seller and manufacturer will be to receive a refund of the purchase price upon the return of the unused portion of the product.

### Warning

May be harmful if swallowed. May cause mild skin irritation.  
May cause eye irritation. May cause respiratory irritation.

### Precautionary Statements

Call a poison center/physician if unwell. If skin irritation occurs, get medical advice. If in eyes, rinse cautiously with water for several minutes, remove contact lenses. If eye irritation persists, get medical advice. Wash hands after handling. Use only outdoors or in well ventilated areas. Avoid breathing dust. If inhaled, remove to fresh air and keep at rest position comfortable for breathing. Store container tightly closed. Dispose of contents/container in accordance with local, state and federal regulations.

### First Aid

- |              |   |
|--------------|---|
| If swallowed | If victim is alert and not convulsing, give one glass of water to dilute material, but DO NOT induce vomiting. Seek medical attention.  |
| If on skin   | Wash affected areas with soap and water. Seek medical attention if irritation persists. Wash contaminated clothing before reuse.  |
| If in eyes   | Immediately flush with water for at least 20 minutes. Seek medical attention if irritation persists. Move victim to fresh air. Seek medical attention if irritation persists. |
| If inhaled   | Move victim to fresh air. Seek medical attention if irritation persists.  |

### Storage and Use

Store in clean, dry place. Reseal opened bag by folding top down and securing. Use only in clean, dry spreaders. Do not leave unused product in spreaders.
