

# Black Beauty™ Golden State

*California State Premium Grass Seed Mix*

Black Beauty Golden State Mixture is a very strong heat and drought-tolerant mixture. The mix contains Black Beauty Turf-Type Tall Fescues and a Texas Kentucky Bluegrass, both of which can withstand extremely hot temperatures of up to 100° F, making it ideal for areas throughout California.

Black Beauty Golden State is perfect for sun and/or shade, and will produce a dark-green, heat resistant, highly durable lawn.

Black Beauty Golden State grows roots up to four feet deep, contains a waxy leaf coating to preserve moisture, displays a uniform (not clumpy) growth habit and naturally withstands insects and diseases.

- Specially formulated for California lawns
- Produces a darker green turf naturally
- Improved disease resistance and drought tolerance
- For sunny and shady areas
- Will improve any lawn it is overseeded into
- Contains naturally insect resistant grass
